

ALLERGENS

# DEAR GUEST,

This allergen information card tells you about the allergens contained in our food and drinks.

We cannot entirely rule out cross-contamination between the many ingredients used in our kitchen. This means that traces of gluten, egg, peanut, soy, milk, nuts, celery, mustard, molluscs, fish, lupins, crustaceans, sesame and sulphites may be found in any of our products.

If you have any further questions, can't find a product or don't see your allergy listed, please don't hesitate to talk to our team. We hope you enjoy your HANS IM GLÜCK experience!

## NUTRITIONAL VALUE CALCULATOR

Filter our food and drinks according to your nutritional requirements or food intolerances.

We want you to feel happy here, so please feel free to ask if you're unsure.
