a lot to be happy.**

**All it takes is the
right ingredients.**

Nice to have you here!

OUR PROMISE

HONESTY ON OUR PLATES, HONESTY FOR OUR GUESTS

We offer a wide range of signature options – just as diverse as our ingredients. Our Personal Menu Assistant, with helpful filter functions, makes it easy to find the perfect choice for you.

If you have allergies, simply scan the QR code or check our allergen and ingredient guide.

For further assistance, feel free to ask our service team.

Please note that cross-contamination with various ingredients in our kitchen cannot be completely ruled out.

All of our dishes are 100 % free from palm oil and artificial flavour enhancers.

LOCAL & SUSTAINABLE

No matter whether vegan, vegetarian or meat-based, we prioritize fresh, high-quality ingredients from local sources, supporting responsible farming and ethical animal welfare practices.

Our beef is 100 % from Switzerland – and the same goes for our chicken.

Wherever possible, we partner with local farmers to supply seasonal fruits and vegetables.

To reduce waste and uphold our sustainability promise, we freshly prepare many of our ingredients with great care at our central kitchens, ensuring consistent quality across all of our burgergrills.
